Little Ferry Nursery School is a licensed nursery school that offers an educational program that balances learning and social activities at affordable rates. We offer a variety of full and half day programs along with extended care to meet all parents' needs. Our Nursery School has been established for over 30 years and is well known in the community.

Little Ferry Nursery School is located on Liberty Street, across the street from the elementary school and only a few blocks south of Route 46. For further information, please contact the Director Deborah Kaiser.
